

Product Reference 6/2016

InteriorArts is a high pressure laminate sold in 4' x 8' sheets. Numeric codes represent product number, letter codes refer to texture. NAT or "Natural" is flat or standard laminate texture, other codes represent other textures. The best way to determine texture preference is to obtain a sample from us. Product number/texture combos shown here are standard, custom combos are available with 100 sheet minimums and 3-4 month lead time. Limitations apply.
